We, the undersigned, have read, understood, and agree to abide by these and all other rules, regulations, and policies for Onyx Cave:

1. All trip members are required to follow the trip leader's directions.
2. **White-nose Syndrome:** Each visitor to Onyx Cave will follow equipment restrictions and decontamination procedures as written by US Fish and Wildlife Service and Onyx Cave Management Policies.
3. **Equipment Required:** Each person will wear a hard hat with chin strap and mounted light, AND have at least 2 additional sources of light (no candles). Each person will carry a cave pack which will include a sturdy, sealable container for human waste. ALL human waste must be packed out. At least one first aid kit per group. Gloves. Recommended: Sturdy hiking/climbing boots with lug-pattern sole.
4. **Onyx Cave Register:** All visitors agree to legibly SIGN IN upon entering and SIGN OUT upon exiting.
5. **Ropes/Rigging:** Hand-over-hand techniques are not recommended. Only natural rigging points are allowed. Installation of new permanent anchors is prohibited.
6. **Travel Restrictions:** Permanent forms of trail marking are prohibited; Non-permanent forms must not damage cave and must be completely removed. Do not enter areas that have been marked or cordoned off. The group cannot split up, nor can it meet up with another group in the cave.
7. **Activities Prohibited (not inclusive):** Littering; carbide dumping; smoking; alcohol/intoxicants; graffiti; making mud balls or sculptures; throwing mud or any other material; hammers, bolts, pitons; pets; glass bottles/containers; firearms and fireworks; fires; digging/excavations; unauthorized mapping; dropping food crumbs; wearing climbing gear when not climbing; clothing that sheds, has glitter/rhinestones, etc.; use/release of any foreign chemical scent.
8. **Photographs** taken in Onyx Cave, and written description and comments about photos, will not be published or distributed by any method with the cave name or location attached. Remove location metadata.
9. **Wildlife:** Disturbing bats and other wildlife is prohibited. Refer to Trip Leader Briefing Guide for details.
10. **Arizona Cave Law:** (posted at Onyx Cave entrance and in Onyx Cave Management Policies). Any form of damage or vandalism within Onyx Cave is prohibited.
11. **Safety:** Call 911 for serious emergencies. The Trip Leader is required to provide reports of major and minor accidents/incidents to the Conservation Chair.
12. **Damage/Littering:** Please report new damage/litter observed. Packing out litter left by others trips if possible is appreciated.

Please type or print clearly in ink. Everyone entering Onyx Cave must be listed on the permit and sign an Onyx Cave Permit. No changes or substitutions allowed after key is issued.
